## SOUNDS A LOUD CALL

FOR REPENTANCE FOR PAST SINS ON

LAST SABBATH OF DYING YEAR.

BEGIN A NEW LIFE IN CHRIST

Timely and Precious Theme of the

Prophet Who Heralded the Return of

God's Command "Repent Ye!"

Repeat Ye of Him: "This is a Wise

Thing to Do When You Repent."

Blessed sounding an A of Parliament of

Christians at the Day of Atonement, October

Chicago, Dec. 27-28. In this sermon,

on the last Sabbath of the dying

year, the preacher sounds a loud call

for repentance of past sins and a re-

solution with living faith to begin a

new life in Christ with the coming

year. The text is Luke 11: 5, "Ex-

cept ye repent, ye shall all likewise

perish."

Great accents generally have their

two classes of hearers. One is the

class of those who are converted

of living hearts. When, a few

years ago, such a call was made

the Big Four special which was ear-

ly heard in the city of Chicago, the

young men who were converted

and turned to Christ were not only

drawn to the speaker but also to the

message. They were drawn to the

message of the dying year, and they

were drawn to the message of the

dying year, and they were drawn to

the message of the dying year, and

they were drawn to the message of

the dying year, and they were drawn

## 54 Lives Lost

on Coast of B.C.

Port Townsend, Jan. 15.—Fifty-four lives were lost in the sinking of the steamer Clallam, plying between Seattle and Victoria, in a storm which swept over the Straits of Juan de Fuca yesterday night. The vessel was a regular daily passenger steamer, and left Seattle yesterday for Victoria. She made moderate good progress until the entrance to the Strait of Juan de Fuca, where the harbor was ahead. Then a terrific gale came upon the vessel, and the Clallam was forced to anchor. The vessel was then struck by a wave, and she was thrown on her side. She sank in a few minutes, and all hands were lost.

Headquarters for Men's and Boys' Clothing.

This weather is just a little cool for cottons pants, don't you think? We have something better. Heavy All-wool, cost but very little more, will wear out two or three pairs of cottons, and will give you ten times the comfort. If you have yet not done so, better come in and leave your measure. We guarantee a fit, or take a pair ready-made at \$1.75. You'll be slow to buy anything else for every day wear after you have once tried our pants. No better value given in Canada than we give.

# NAPANEE MADILL BROS. NAPANEE January White Goods Sale

Goos merrily on. January seems a long way from the heat of summer, but prudent women look ahead and take advantage of the January discounts. Saving are no less real if made now, though realized six months hence. The more one values the virtue of business—like economy, the more one appreciates the benefit of this January Sale. The price of cotton and all cotton garments is going up, in fact has gone up, and our advice to you is BUY NOW. This isn't disinterested advice, but it's good nevertheless.

**CASHEL CAPTURED**

**MOUNTED POLICE FORCED TO RUN HIM OUT.**

Winnipeg, Jan. 25.—Kearney Cashe, the murderer, who escaped from Calgary police barracks a few days before his date set for his execution in December, was caught by the police today a few miles from that city. He is supposed to have been hiding in an old cellar since his escape.

**CASHEL IS NOW IN THE GUARDHOUSE.**

During his thirty Cashe has not been more than eight or nine miles away from the city, and during a portion of the time was in the city. The police learned two weeks ago that he was lurking about the eastern suburbs. They found that he was well informed of all that was going on, and that he was in Calgary for the purpose of raising his brother, John Cashe, in the city.

**A SYNERGISTIC SEARCH.**

The police sent men in plain clothes to several houses in the district in search of Cashe. They were not successful, but they were able to find out that he was in the city.

Feed pale girls on Scott's Emulsion. We do not need to give all the reasons why Scott's Emulsion restores the strength and flesh and color of good health to those who suffer from sick blood.

The fact that it is the best preparation of Cod Liver Oil rich in nutrition, full of healthy stimulation is a suggestion as to why it does what it does.

Scott's Emulsion produces Cod Liver Oil at its best, fullest in strength, least in taste.

Young women in their "teens" are permanently cured of the peculiar disease of the blood which shows itself in paleness, weakness and nervousness, by regular treatment with Scott's Emulsion.

It is a true blood food and is naturally adapted to the cure of the blood sickness from which so many young women suffer.

We will be glad to send a sample to any physician.

## TENDENCY OF THE TIMES.

The tendency of medical science toward preventive measures. The thought of the world is centered toward the subject. It is easier and better to prevent than to cure. It has been fully demonstrated that pneumonia, one of the most common diseases that medical men have to contend with, can be prevented by the use of Chamberlain's Cough Remedy. Pneumonia always results from a cold or from a slight inflammation of the throat. It has been observed that the remedy counteracts any inflammation of these organs before pneumonia. This has been fully proved in many thousands of cases in which the remedy has been used during the great prevalence of colds and grip in recent years, and can be relied upon with implicit confidence. Pneumonia often results from a slight cold when no danger is apprehended until it is suddenly discovered that there is fever and difficulty in breathing and pain in the chest. Then it is announced that the patient has pneumonia. As the safe side, take Chamberlain's Cough Remedy as soon as the cold is caught in its early stage. For sale by all druggists.

## When is Your Birthday?

Ours is March 2nd

A store's growth is a good standard by which to gauge public appreciation, but perpetual crowds are better. While we have enjoyed much remarkable expansion, the true test of public appreciation finds its strongest and most emphatic expression in the steady throng of buyers that patronize this store. Just one year ago we opened our doors to the public. Now we look with pride on the year just closed, and wish to thank our patrons for their generous support. In order to show in a substantial way our appreciation of this fact, beginning Monday, Feb. 29th, we will inaugurate our

FIRST BIRTHDAY SALE.

FIVE PER CENT DISCOUNT will be universally applied to all merchandise sold until Saturday night, the end of our anniversary week.

## Remnants at Half Price—

Last week cleared out a lot of our remnants, but we still have about a couple of hundred left, and to make quick work of these we are going to sell them at half the present remnant prices. That is to say, remnants now marked 75c will clear at 38c, and \$1 ones for 50c, etc., etc.

These remnants will be found any time after nine o'clock Saturday morning in the Carpet Department.

## New Spring Corsets—

Ladies who contemplate a new Spring Gown will be interested in the above announcement. The successful completion of the new dress or suit will depend to a great extent on whether it has been fitted over a corset suitable to your figure. All the newest approved styles are here. Expert fitters will explain them and advise you on the proper model for your figure. No need to make a purchase until you are thoroughly satisfied which corset will give the best result.

## ...Clothing to Order...

There are two classes of tailoring that are not desirable. FIRST—There's the high-priced fellow that charges you \$25.00 for a suit and \$5.00 for putting his name on it—the swell, puffed up chap who makes good clothes, but charges unreasonable prices for them.

SECOND—There's the Cheap John fellow, who claims to give you a fine custom made suit for \$11.00 or \$12.00. Poor stuff, at best. You'll never buy but one suit of him. Far better buy your suit ready made.

## We Come to the Rescue.

Our kind of tailoring is the GOOD KIND—without the unreasonable prices.

Suits to order, \$14, \$15, \$17 up to \$22.

Overcoats, \$12 to \$20.

Pants, \$3 to \$7

The best of cutters and tailors to build your clothes, and the best of woolens from which to make your selection.

WE GUARANTEE EVERYTHING.

If the suit fails in any particular, it's ours, and costs you nothing. TRY OUR KIND OF TAILORING.
